## INSURANCE

The Safari Collection will not accept guests on a tour unless full travel and medical insurance has been taken out by that guest. Insurance should be arranged when the initial deposit is paid and details provided. If a client does not have full travel and medical insurance The Safari Collection is entitled to cancel the booking and cancellation fees will apply accordingly.

## WILD ANIMALS

Safaris in Africa entail a certain degree of risk. We advise our guests to always consult their guide before undertaking any activity that may bring them into an area populated by wild animals. Please be aware that these safaris may take guests into close contact with wild animals. Attacks by wild animals are rare, but no safari into the African wilderness can guarantee that this will not occur. Neither the company, nor its employees, nor its agents can be held responsible for any injury or incident on the safari.

## RATES

Whilst The Safari Collection will endeavour to adhere to those rates published on behalf of our properties, we do reserve the right to change rates without any prior notice.
